If you are the high bidder on one or more horses in this auction, your payment will be due within 10 days of the close of the auction at midnight on June 15th, 2009. Personal checks, bank checks or money orders will be accepted, however, the horse may not be picked up until 7 business days after the payment has been received and deposited. For a more expedient payment and pick up, please consider paying by bank wire transfer. If you choose this method, bank information will be supplied at the close of the auction.

NOTE: Any bid placed in this auction constitutes agreement to the TERMS AND CONDITIONS as listed on the auction website. These terms and conditions include no warranty on horses beyond registration in the American Morgan Horse Association and paid transfer to the new owner. Any examinations and health checks are to be performed before the close of auction and are the bidder's responsibility. Dragonfire Morgans and Madison Avenue Morgans will cooperate in every reasonable way to ensure bidders are satisfied should they choose to personally view the horses or have a veterinary inspection completed.
